Hi Denise,

I hope all is well with you considering the circumstances. Can we find a time to reconnect sometime this week or early next? Could be phone, coffee, drinks or whatever but I'd like to get it on the books soon because a lot is happening between now and the new administration and I'd like to get a handle on things. Is there a time that works?

Alarm Activation

Good Morning,

Updated Information:

Regional personnel advised that the U.S. Marshal Service, at the Dole Courthouse, reported the issue is resolved. FPS reported the subject(s) is in custody. Law enforcement still has the scene and roads blocked; no additional information on the duration of the roads being blocked. This incident is now closed.

Original Information:

The EOC received notification that there is a gunman in a standoff with law enforcement in the Hilton Garden Inn on Minnesota Street one block south of the Robert J. Dole Courthouse located at 500 State Avenue, Kansas City, KS. Streets from Minnesota Avenue between 5th and 7th are blocked by law enforcement. Streets may be blocked as far south as Ann Avenue. Apparently, a party got out of control early this morning at the hotel; police were called in to run them out, then they started shooting at law enforcement. Last word heard on the news a short time ago is that the police are using tear-gas to smoke the suspects out of the hotel. FPS is on scene. The EOC will continue to monitor this situation and provide updates as information becomes available.

Thank you,

Watch Officer
